

“Yoke To Go” is a new onsite feeding program at Yokefellow. Bagged meals are being provided beginning at 3pm each day that Yokefellow is open to the homeless, and those missing the meal opportunity earlier in the day at the soup kitchen. Yokefellow has set a very simple menu: sandwich and a half, chips/peanut crackers, single serve or single piece of fruit, single item Little Debbie cake or Krispy treat, and bottle of water or a sports drink. Yokefellow is proud to offer another needed service to a specific population in need of a basic need – food. Yokefellow is actively recruiting the faith community to agree to pack lunches one day a month, or one day every 6 weeks. This is a great ministry opportunity for youth groups, Sunday school classes, Bible study circles, VBS. Contact Yokefellow at 754-7088 and ask for Stephanie, the YF Food Pantry Coordinator for more information and for a schedule opening.
